

Wallet Instructions

Step One:

Download either the Connect.me or IdRamp Digital Wallet App for your phone from either the Apple App Store or Google Play.

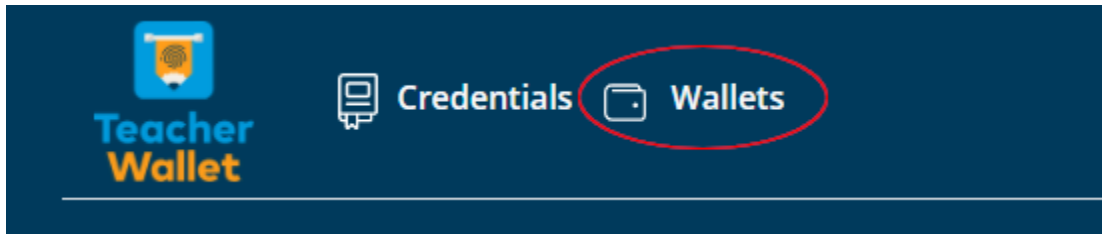

Step Two:

Follow your new mobile wallet instructions to set up your profile.

Step Three:

From the Teacher Wallet site select “WALLETS”

Step Four:

Choose “Connect your wallet.” This will generate a unique QR code.

Step Five:

Scan this QR code with the mobile wallet app. This will create a connection.

Step Six:

Share desired credentials from the Teacher Wallet with your mobile wallet.
